Information Circular No. 17 Issue 01

SAN MARINO CAA ACCEPTANCE OF TRANSPORT CANADA CIVIL AVIATION CAR PART V SUBPART 73 APPROVALS

This circular confirms that all TCCA CAR Part V Subpart 73 approved aircraft maintenance organisations are to be accepted organisations to perform aircraft maintenance on San Marino registered aircraft within their TCCA approved scope of work, as provided for in San Marino regulation CAR GEN.010(a) as of 01 January, 2018.

Each person authorised to certify an aircraft or component for release to service after maintenance shall enter in the log book or other record required by paragraph GEN.57(b)(1) a release to service statement that states:

“certifies that the work specified, except as otherwise specified, was carried out in accordance with the Republic of San Marino CAR GEN, Subpart C and in respect to that work the aircraft/aircraft component is considered ready for release to service.”

and enter beside the statement of release to service:

- (a) Their signature; and,
- (b) The applicable TCCA approval number and,
- (c) The date of entry.

Yours truly,

Eng. Marco Conti
Director General
